Mission Statement

CrittersWork service Dog Partners, Inc., provides highly skilled service dogs to form partnerships that enhance the quality of life, independence and self-sufficiency for people with physical and/or emotional limitations, while advocating for the use and acceptance of service dogs through public and professional education, in support of the service dog industry.

THERAPY DOG TRAINING CLASS ANNOUNCEMENT

Class runs for 8 weeks.

Do you know that training your dog as a Therapy Dog can be very rewarding to both you and your dog, plus vital to the wellbeing of the persons you and your highly skilled dog visit? You and your dog can find yourselves visiting schools, nursing homes, libraries, extended care facilities, and others.

Make your 2019 resolution to help others! CrittersWork is currently registering teams for our new Therapy Dog Training Class.

In our Therapy Dog class, you and your dog will learn excellent obedience, handling and socialization, not to mention having super fun working with your dog.

Graduation from this class will require that your dog pass the AKC Community Canine Good Citizen. This is the best step for anyone who owns a dog whether or not you want to do anything with the dog, like visiting shut-ins. Regardless of certification, you will end up with a highly skilled companion/visiting dog.

This class will meet two times a week for eight weeks during the daylight hours. The dog must be 16 months old and above. We will start the classes the second week in January, but it is vital that we have eight teams sign up in advance for the class.

Cost for the eight week training class is \$250.00. To be paid in full at time of registration. No refunds will be issued due the limited number of eight students for participation, so please register and pay for your spot early.

To learn more about this class, please call us at CrittersWork Service Dog Partners, Inc. 423-552-1416. If no answer, please leave a message because we are having issues with our phone. Or call back if we don't return your call the same day.
